February Letter

Dear friends,

One of the things I love about living in this country is that we have four distinct seasons. Of course, when I am scraping ice off my car to drive to an 8.30am service at church, I am a little less enthusiastic about winter, but even then the ice and snow can be very beautiful and they have a way of turning our landscape into a winter wonderland.

Winter in the UK, with its colder weather and reduced hours of sunlight, provides an opportunity both for our land, and also for ourselves to take things a little slower; to rest, to be restored; to plan and prepare for the warmer months ahead.

We can make plans for what we will grow in our gardens, we can

make decisions about future holidays or staycations, and I know many of us enjoy being creative – be it knitting, crochet, cross stitch, crafting or painting - which are a great way to fill the long winter evenings at home. The Christian calendar also has its seasons, and as we journey through Epiphany this month, we can see Lent on the horizon, which this year begins on 5th March.

During this period we have the opportunity to spend time in prayer, reflection and preparation, leading up to the celebration of Easter on 20th April. To help us, as we did last year, we will be having a Lent Course and Lent book, full details of which will appear in next month's magazine.

Coming back to this month of February, we very much hope you will be able to join us in church on Friday 21st February at 7pm for a Fish and Chip Supper and a Beetle Drive.

God bless,
Heather

Come and join us!

Our church Annual Parochial Church Meeting (APCM) will be at All Saints' Church on **Sunday 13th April** following the 10.45am service

As part of our preparation for this meeting we have to revise our Church Electoral Roll – our official membership list. **This year there is a full revision of the Electoral Roll**

Anyone wishing their names to be included on our Electoral Roll and who, where necessary, has worshipped with us during the previous six months, is welcome to complete an application form for inclusion on the Electoral Roll **by 23rd March** The forms are available in church from 2nd March

A copy of the **revised Electoral Roll** will be displayed at All Saints'

Church on **30th March** for the two weeks leading up to the APCM.

The APCM is an important event in our church calendar. We review the year past, receive the accounts from our treasurer and elect our Churchwardens and members of the Parochial Church Council.

The APCM is an opportunity for us to thank God for what he has done and for what he continues to do in us and through us, and to express our appreciation to those who have done the bulk of the hard work in running our church.

Our Ministry team with the Churchwardens, Treasurer and PCC members have worked very hard this year and we would value your attendance on **13th April** as we present our reports to you and look towards to our future together.

What's the Big Idea? An Introduction to the Books of the Old Testament: Job

'Why does God allow suffering?'

This is a frequently asked question of Christians, because we believe in a God who is both good and powerful and it is explored in the book of Job. This book is part of the wisdom literature, along with Proverbs, Ecclesiastes, and Song of Solomon.

Job was both wealthy and righteous, yet he experienced catastrophic suffering, losing all his wealth, children and health. This is portrayed as a result of Satan's challenge to God, testing whether Job's devotion to God was dependent on his circumstances or not.

The main body of the book (3:1-42:6) consists of dialogues between Job, his friends (Eliphaz, Bildad, and Zophar) and God. Job and his friends assume that God is almighty and just, and that no human being is wholly innocent. In the three cycles of speeches

they wrestle with the reasons for Job's suffering, remembering his morally upright character.

Finally, all are silenced by God, as He speaks Himself (chs 38-42). He points out that Job knows very little about the universe when he reflects on God's power. Job confesses his lack of understanding and weakness, but then goes on to confess his confidence and trust in God. This puts suffering in a right perspective. Job is not condemned, and the book ends with the restoration of his family and possessions.

The importance of this book is that it realistically addresses the painful questions of life, without offering simplistic answers. It focuses on how we should respond to suffering, rather than on why God allows suffering: 'Naked I came from my mother's womb, and naked I shall depart. The LORD gave and the LORD has taken away; may the name of the LORD be praised.' (1:21)

Canon Paul Hardingham continues his series on the books of the Bible,

High-Rise Elevator

A woman lives on the 30th floor of a high-rise apartment building. She hates taking the stairs. When leaving her home, she takes the elevator down to the lobby. When she returns, she takes the elevator to the 20th floor and walks up the remaining ten floors, except on rainy days. Why does the woman walk up the last ten floors every day except rainy days if she hates taking the stairs?

Broken Down and Bankrupt

A man is pushing his car to reach a hotel. When he arrives at the hotel, he discovers to his dismay, that he is now bankrupt. How did this happen?

-A woman walks into a room and presses a button. She loses 20 pounds in only a few seconds. How did she manage to lose the 20 pounds?

Latin quotations

Quieta non movere Let sleeping dogs lie.

Sapere aude Dare to be wise

Status quo The existing state of affairs.

Summum bonum The supreme good.

Summum ius summa iniria The more law, the less justice.

Tabula rasa A clean slate.

Terra firma Solid ground.

Latin names for plants, how many do you know?

Latin Name	Common Name
Rosa	Rose
Rosmarinus	Rosemary
Rudbeckia	Black eyed Susan, Coneflower
Rhamus	Buckthorn
Ribes	Flowering Currant
Rubus	Blackberry

Good Deeds

He who feeds strangers may have feed angels.

Deeds of kindness weigh as much as all the commandments.

Good and Evil:

It is better to see good than to hear bad.

See no evil in others and good in yourself, but the good in others and failings in yourself.

Waste no time arguing what a good man should be. Be one.

Gossip:

What's easy to say may be hard to bear.

What you don't see with your eyes, do not invent with your mouth.

The tongue has no bones-so its loose.

A tongue can be a dangerous weapon.

From a man's mouth you can tell what he is.

Gossip-natures telephone.

2025 Knitting Art Exhibition

Yes we've reached that time again and as the darker nights will soon be upon us it's get your knitting needles out time.

After a long hard think, we've settled on The Nativity Story as our theme for 2025

Again, using our tried and tested recipe of 4 inch knitted squares.

***Our recipe is :-
using double
knitting wool and
size 4 mm needles***

***(old number 8) cast on 25 stitches,
knit 45 rows then cast off, hopefully
you will have a 4 inch knitted square
-wonderful.***

As the darker nights creep upon us through the Autumn and Winter months, we would like as many people as possible to help with this project, so if you know anyone who can knit please ask them to help too.

All knitted squares can be left in church, given to a member of the congregation who will bring them into church, or give them to the person who delivers your Parish Magazine.

***We are now looking for squares in
any colour!***

Over the next few months, we will have updates on how the squares are coming along and what different colours we will be requiring to complete the project and of course more details about our exhibition date.

If you need further information at this time, please don't hesitate to ring Bev on 01270-874491

P.S Noah, Adam and Eve all hope this project is going to get as much support as they did.

Eco Church

All Saints' achieves Bronze Award!

Eco Church is a scheme run by A Rocha, UK equipping churches to care for God's creation through their worship, buildings, land, community engagement, and individual lifestyles.

The ethos behind Eco Church is underpinned by the National Church's goal to become Net Zero by 2030. In simple terms, Net Zero means, making no contribution to global warming. This is achieved by ensuring that the amount of fossil fuels (carbon) we put into the atmosphere is matched by the amount of carbon we take out of the atmosphere. Hence the term 'Carbon Neutral'.

The Diocese of Chester is committed to working towards the 2030 target and many of our churches have already taken steps to improve their carbon footprint by implementing improvements to their heating systems, recycling waste and planting trees etc.

The key to Eco Church scheme is all about balancing your carbon output. ways to offset your carbon consumption to 'balance your carbon books'.

A Rocha has an award scheme called [Eco Church](#), for churches who want to demonstrate that they are committed to becoming more Eco friendly. They have three awards, Bronze, Silver and Gold and offer help and guidance on achieving those awards.

All Saints' has been committed to caring for environmental issues over many years, through prayer, sermons, monthly recycling letter, recycling ink cartridges, tablet bubble packs, Olio food items and of course all the planting and caring in our churchyard, including a nature count.

As part of this process we have now twinned our toilet to support a toilet in Nepal and when we achieve our new inside toilet we will twin again!

As a church we are proposing two more ways to support our carbon footprint this year in learning and understanding more about our own carbon footprint and also supporting the world.

1. Below is the link to the Eco Audit [B1-Carbon-footprint-measurement-and-offset.pdf](#)

2. Supporting Earth Hour on the 22nd March 8.30pm to 9.30pm— [Join the Biggest Hour for Earth | Earth Hour](#) more information in the March Magazine on this one.

Bronze Eco Church Award Certificate

This is to certify that

All Saints Church Lawton

has won a Bronze Eco Church Award in recognition of their efforts to care for God's earth in each of the following areas (as applicable):

Worship and Teaching
Management of Buildings and Land
Community and Global Engagement
Lifestyle

Laugh lines etcetera...

Visit

The new vicar was doing the rounds to meet his parishioners. At one house where he knocked, a woman inside called out: "Is that you, Angel?"

The vicar hesitated, and then replied: "No, but I'm from the same department."

Technically, the Parish Share is a voluntary contribution

Cow and choir

From a Cambridgeshire local newspaper in January 1900: 'WANTED – a steady respectable man who is able to look after a garden, milk a cow, and sing in the church choir.'

Chocolate

A lovely heart-shaped box of chocolates was received on Valentine's Day by a young student from her new boyfriend. On the enclosed card was the inscription: 'To Helen, with all my allowance.'

Those notices which didn't come out quite right...

Spotted in a safari park:

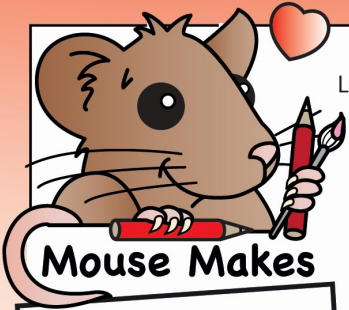

Elephants, please stay in your car.

In a Laundromat: Automatic Washing Machines. Please remove all your clothes when the light goes out.

This coming Sunday our special service will be gin at 11:00am.

This evening at 7:00pm there will be a hymn sing in the park across from the Church. Bring a blanket and come prepared to sin.

The King's Bras will present a concert at our church this evening at 6:00pm.

Recycling & Green Living Tips

Greening your lawn

A lawn on a sunny day is a place to socialise, relax and play. Some gardeners tend their lawns with passion, producing a perfect bowling green of short mown grass. Unfortunately when grass has been fed with fertiliser, treated with weedkillers and watered with sprinklers, it's bad for wildlife and bad for the environment.

Plastic grass is worse. It may offer a short-term, maintenance-free solution but environmentally it's one of the worst things you can put in your garden. Real grass captures carbon but artificial grass has a high carbon footprint. The wildlife value of fake grass is zero.

So how do we make our lawns more wildlife- and eco-friendly?

The ideal lawn should have areas of both short grass and long grass. A combination of the two increases biodiversity. Short grass is important as a feeding area for birds. Insects are easy for birds to find, and blackbirds, thrushes and robins can get to earthworms just below the surface of the soil. Short grass is also an important habitat

for mining bees. Shorter, mown grass near the house is better – for ease of access to facilities like washing lines and outdoor seating, and as a space for children to play. Short grass paths can also be mown through swathes of longer grass.

This can create a very attractive effect in larger spaces,

Care for your lawn by avoiding chemical fertilisers and weedkillers. Don't cut it too short during summer. Short grass tends to dry out more quickly in hot weather. Once a fortnight should be enough to keep it looking tidy. Try to avoid watering the lawn. Water is a precious resource, especially during droughts. Grass is extremely hardy. Even during prolonged dry spells it can survive and bounce back. While short grass is an important habitat, allowing some areas of grass to grow long – either a small patch or, if you have space, larger swathes – will really boost biodiversity. And the easiest way to do this is to simply stop mowing.

There are two ways to care for your long grass. For a spring meadow, only mow between July and late autumn. Or, for a summer meadow (which is great for attracting butterflies) stop mowing in April, then leave it alone completely until late September. Either method will create a haven for insects and other wildlife. And leaving patches of long grass means you spend less time mowing, and more time enjoying your garden!

A garden full of wildflowers, bees and butterflies should be something to be proud of and might encourage your neighbours to follow your lead, to create a community network of wildlife-friends.

So, what should you do instead of buying airfare offsets?

Fliers often think that offsetting your air miles is the way to green your air travel but that does not really work so what are the options?

Fly less -The first step is to be more aware of your travel. Sort your flights into those you need to take and those you don't.

Donate -if you can calculate the

carbon cost of the flights you take, donate that amount to a good cause

Travel light -If you must fly – pack lighter. This reduces your carbon footprint by lowering the plane's load and the fuel needed.

Here are ways to cut back on energy

1. Use cheaper kitchen appliances
The most energy efficient item is a slow cooker.

2. Only use your dishwasher when necessary. Cutting back to running it four times a week will save you £1.62 per week, or £84.24 every year.

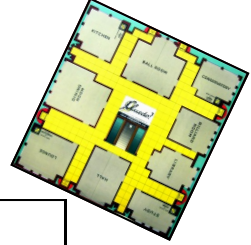

3. Stop overfilling your kettle
Filling the kettle with more water than you need could be costing you an additional £10 per year in energy.

4. Stop leaving appliances on standby
You could save nearly £80 per year by switching things off after use.

5. Stop leaving curtains open after dark. As soon as the sun sets, close all curtains and blinds in your home. This will prevent warm air from escaping out of the windows.

Morning Prayer time at All Saints'

Rev Sister Heather Kemball warmly invites you to join her for Morning Prayer at **9.30am on Monday, Wednesday and Friday from 6th January.**

Midweek Communion at the Rectory

Every Wednesday morning at 11am, on the first Wednesday of each month it will be followed by an informal lunch.

First Wednesday of each month at 6.30pm followed by an informal supper.

There are two 'special' days about books and reading: 1st February is 'Take your Child to a Library Day', and the 5th is 'World Read Aloud Day.'

A Book of Joy

Who knows what glee a book contains?
What joys we'll find as it explains
New facts to fill our hungry brains;
Or tells a lively tale?

The myst'ries that we will find
As we read books of ev'ry kind
Enlarge the borders of your mind?
A book will never fail!

The joy of words, which, crafted well
Can cast on us a magic spell
Marks upon a page which tell
Of worlds beyond our own!

Words which paint in vivid light
Rainbows in the dead of night
Which make our dull lives shine so bright!

The wonders we are shown!
So, find a library nearby
And help your child to find out why
The world is round, or why the sky
Is such a wondrous blue?

Or read a story, out aloud
Of lands beyond the madding crowd.
Try reading – it will make you proud
Of what a book can do!

By Nigel Beeton

All Saints' Church Lawton is open daily

The church is open daily for private prayer 10am to 3pm. Come in and spend a few quiet moments in the tranquil and peaceful setting. There is a prayer station at the front of the church or simply choose a pew.

Prayer Diary

Now available copies of the new monthly Prayer Diary with the names of all those on the electoral roll to enable us to pray regularly for one another.

Prayer for February

Dear Lord,

February can be a trying month, but there are special associations too and we thank you for the hope they bring.

In February we remember how Jesus was taken, as a baby, to the Temple. Simeon took Him in his arms and by the power of the Holy Spirit, recognised Him as the Saviour you had sent as a light, to bring revelation to the whole world. And how this world needs your light and revelation in this new year, 2025.

Lord – as we notice more light in the lengthening days of this month, as we see the promise of the Spring in the bobbing heads of the beautiful snowdrops – help us most of all to recognise Jesus as our Light and to trust in Him as our Lord and Saviour.

Thank you, Lord, for the gift of each new day. In Jesus' name.

Amen.

By Daphne Kitching

Teaser Answers

High-Rise Elevator

She is too small to reach the button for the 30th floor. She can only reach the button for the 20th floor. On rainy days, she's carrying an umbrella, enabling her to hit the button for the 30th floor.

Broken Down and Bankrupt

Answer – The man was playing Monopoly with his friends. His piece was the car, and he landed on the space with a hotel built on it. He didn't have enough money to pay the bill, so he was declared bankrupt

Weight Loss Miracle

Answer – The woman entered an elevator, descending to a lower floor. The acceleration of the elevator downwards meant she temporarily lost weight. After leaving the elevator, she gained the 20 pounds back.
