October Letter

Dear friends,

As we enter October autumn is very much here; as described by John Keats the Season of mists and mellow fruitfulness. In our garden at home, and perhaps in yours as well, there's such a good crop of apples that some of the tree boughs are bent with their weight.

We are particularly blessed at All Saints to look out over fields of ripening crops and to have several farms in our parish. This month we will celebrate God's abundant provision and give thanks for the hard work of our farmers in our Harvest Festival on 13th October.

And as the month progresses, daylight hours shorten and the nights draw in, our thoughts also begin to turn towards Christmas. And so I thought I'd take the opportunity to share with you some of the things being planned this year. Over Advent we will be drawing on the Latin American traditions of something called Posada to help us put our Mission Statement into action and Share the love of Jesus in our community.

Posada (Spanish for lodging or inn) is a way for us to take sets of knitted figures of Mary and Joseph plus shepherds, wisemen, donkey and sheep into the homes, care homes, the day nursery and the school in our parish.

Our knitted figures are going to be commissioned in church on Advent Sunday (1st December) and they will then travel around our parish to those who have agreed to give them a night's shelter. Each day of Advent, Mary and Joseph and their friends will be taken from one lodging (Posada) to another, stopping – by arrangement – where there is a place for them and a warm welcome awaiting.

With them is a journal for their hosts to record any thoughts and comments, together with some prayers of handover and welcome. Hosts can also take selfies with Mary & Joseph and send them in to our website or Facebook page.

Finally on Christmas Eve, Mary, Joseph and the others return to church for the birth of Jesus (also knitted!). The whole family can be visited in All Saints' Church at our

Crib Service and on Christmas Day.

As you can see, we are going to need quite a few knitted Posada sets, and I know some of you have already been busy with your knitting needles, which is great. It's not too late if you want to join in and start knitting – we have patterns available, and we will need the figures completed by mid-November. I'd love to be able to use the old Blue Peter line Here's one I made earlier, but I can take no credit for the knitted figures above.

I hope I've whetted your appetite - and provided some ideas for a project to pass away the longer autumn evenings.

God bless,
Heather

He is Always There

It is funny that when we're in
trouble
We immediately kneel down and
pray,
And expect that the good Lord in
heaven
Will all of our fears allay.

It's amazing that when we're in
crisis
We turn to the Lord straight
away,
But we barely spare Him a
moment
When everything's going our
way.

We seem to seek God when it
suits us
And we fail to keep in touch each
day,
Yet regardless how badly we treat
Him
His love means He's not far away.

So perhaps we should stop for a
moment
And give thanks to the Lord in a
prayer,
For no matter how neglectful of
Him we may be
For us, He will always be there.

2025 Knitting Art Exhibition

Warning

Yes we've reached that time again and as the darker nights will soon be upon us it's get your knitting needles out time.

After a long hard think, we've settled on The Nativity Story as our theme for 2025

Again, using our tried and tested recipe of 4 inch knitted squares.

***Our recipe is :-
using double
knitting wool and
size 4 mm needles***

***(old number 8) cast on 25 stitches,
knit 45 rows then cast off, hopefully
you will have a 4 inch knitted square
-wonderful.***

As the darker nights creep upon us through the Autumn and Winter months, we would like as many people as possible to help with this project , so if you know anyone who can knit please ask them to help too.

All knitted squares can be left in church, given to a member of the congregation who will bring them into church, or give them to the person who delivers your Parish Magazine.

To begin with we are looking for squares in various shades of brown and shades of blue.

Over the next few months, we will have updates on how the squares are coming along and what different colours we will be requiring to complete the project and of course more details about our exhibition date.

If you need further information at this time, please don't hesitate to ring Bev on 01270-874491

P.S Noah , Adam and Eve all hope this project is going to get as much support as they did.

Learn to ‘wait well’ for things

‘My future is in Your hands...’

LET US NOT BE
WEARY IN DOING GOOD, FOR WE
WILL REAP IN DUE SEASON, IF WE
DON'T GIVE UP. SO THEN,
AS WE HAVE OPPORTUNITY, LET'S DO
WHAT IS GOOD
TOWARD ALL MEN, AND
ESPECIALLY TOWARD
THOSE WHO ARE OF THE
HOUSEHOLD OF THE FAITH.
GALATIANS 6:9-10

In her helpful book, *When, God, When?* Joyce Meyer writes: “God has taught me to keep living the life I now have, while I am waiting for the things that are in my heart to come to pass. We can become so intent on trying to birth the next things that we neither enjoy nor take care of the things at hand. I had a vision from God ten years before I began to see it fulfilled. During those years, I believe I missed a lot of joy trying to give it birth outside of God’s timing.”

Learn to enjoy where you are, while you’re waiting to get to where you want to be. After all,

all your life you will spend more time waiting than you will receiving. And when you receive what you’re waiting for now – you’ll begin waiting for something else. That’s life! If we don’t learn to ‘wait well’, we’ll live with endless frustration.

Waiting well is what will deliver our dream. Listen: “in due season we shall reap, if we faint not” (Gal. 6:9). “Due season” is when God knows we’re ready, not when we think we are. He has set appointments to accomplish certain things in our life, so we might as well settle down and wait patiently, because that’s when it will happen – and not before.

God knows what you need, He knows when you need it and He knows how to get it to you. All He asks you to do is trust Him.

Adapted from UCB ‘Word for Today’

Psalms 27:14

“Wait patiently for the Lord. Be brave and courageous. Yes, wait patiently for the Lord.”

Laugh lines etcetera...

Passwords

An elderly vicar got a call from a scammer who said, "I've got all of your passwords." The vicar replied: "Excellent! What are they? Just wait while I grab a pen."

"It's either an appeal to youth culture or we can't afford to service the boiler for the Winter season"

Right resting place

The new vicar was a bit of an efficiency expert, whose obsession was to move around the hymnbooks, the notice-sheets, the magazines, the guides, and most of the other portable things in his church, in search of the perfect place. From porch to display stand to table to vestry to side chapel – round and round various things went, week by week.

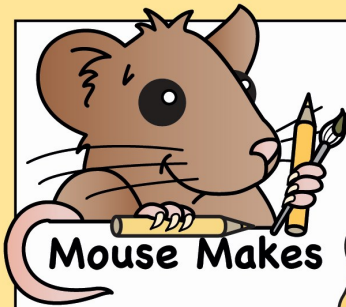

After several months, a visitor approached a harassed churchwarden before church one morning, and asked if he could tell her where the copies of the church guides were kept. "No, I'm sorry," he said wearily. "But if you just stand here a while, I'm sure you'll see them go by!"

Recycling & Green Living Tips

TOP TIPS FOR MANAGING YOUR RUBBISH

Reduce Waste At The Source

The best way to manage waste is to reduce it first as much as you can. By keeping an eye on what we bring into our homes, we can significantly cut down on the amount of rubbish that needs to go out again and protects precious resources.

- Consider borrowing, rather than buying: this cuts packaging waste – big-ticket items like tools, electronics & smaller furniture/ decorative items come with bulky protective packaging. It also saves you money.
- Opt for reusable or refillable alternatives: Avoid disposable items like paper kitchen roll & tissues. Swap to cloth shopping bags, stainless steel water bottles, and reusable coffee cups or cutlery, or sit in rather than taking away. Pack your lunch to take with you and have a coffee before you go.
- Plan Meals: Meal planning can help reduce packaging & food waste. You can buy only what you need and just the quantities you need. Remember to check your cupboards and the freezer first to see what you already have. Freeze your leftovers for a no-cook night off!

- If you have a baby in the house, consider switching to reusable nappies. They aren't as hard to deal with as it might seem and worth it even if you still use disposables while you're out.

Reuse As Much As Possible

- Shop preloved where possible: if there's something you need, check out the wide variety of second hand shops and save something that's already in circulation.
- Reuse Containers: Glass jars, plastic containers, and other packaging can be repurposed for storage or DIY projects e.g. Store leftovers in a jar rather than using foil or clingfilm.
- Donate Unwanted Items: Consider donating items in good condition to local charities or secondhand shops rather than binning them – Freecycle is great for many things including toy, furniture and household items.

Maximise Recycling

- For the unavoidable waste max out your recycling. Paper, card, metals including foil, glass bottles & jars, plastic food containers and cartons, tetrapaks and food waste are all recyclable in the kerbside bags and boxes that most council services collect. Batteries can be recycled at any shop that sells them.
- If your product comes with unavoidable packaging, check whether it can be easily recycled,

and remember foil, tin cans and glass are longer lasting and more recyclable than plastic. Avoid excessive packaging – who needs a plastic wrapped banana anyway?

- Set up your system: We all know that if something is easy, we are more likely to do it so make recycling easy. Whether that's organising and labelling your bins, putting the recycling boxes in a easy to reach location or tasking the kids to take on the job!
- Sort Your Waste: Continue to sort your recyclables (see council websites for details of what you can and can't place in your recycling bags & boxes) as usual.

5 Weird things you can compost

1. 100% Cotton Balls, pads and Q-tips
One hundred percent cotton and cardboard Q-tips and cotton balls can be tossed into your compost bin and will get broken down by microorganisms and bacteria just like everything else. Note: If your Q-tips have plastic stems, they don't belong in the compost.

2. Coffee Grounds and Paper Filters
Used coffee grounds and even paper coffee filters make a great addition to your compost pile; doing so is a great way to reduce waste. If you're not a coffee drinker but you still want to be part of the movement to rescue coffee grounds from an untimely end,

stop by your local coffee shop. Many coffee shops have started giving away used coffee grounds to avid composters just like you.

3. Paper and Cardboard.
These are better shredded and will soak up any excess fluid in your compost bin.

4. **Natural Wine Corks**
Provided they are not plastic, wine corks will decompose.

5. **White paper and masking tape**
Arts and crafts are rarely recyclable, but when you use white glue, water colour and paper materials you can add a little culture to your compost pile by composting artwork.

A bumblebee can only fly for about 40 mins between feedings. But we've lost 97% of our wildflower meadows. So each nectar-rich flower you plant in a window box or in your garden or community green spaces could be the pit stop that saves a bee.

Happy Recycling

Lots of Autumn, tidying up, and planting going on around the churchyard. Jane & Roger have been weeding and clearing moss around the front of the church and tidying the edges on the path. Kath cleaned all the steps and found a Health and Safety issue with some railings, so Paul, Michael and Geoff set about putting it right. What a busy volunteer group!

Pat and Diane along with Carol have been creating new beds in the old part and planting spring bulbs in both the new and old section with Geoff ferrying soil between the two groups! All this after sorting all the broken branches across the pathways from storms in August.

Prayer for October 2024

Lord,

As we move into autumn and the month of October, the normal seasonal changes are all around us, the beautiful colours, the falling leaves, the cooler days. And that is reassuring.

But, so much else in our world is changing so rapidly, often in ways we don't understand. And that can be worrying.

Thank you that You never change. You are always the same, faithful, present and loving. And You tell us in Your Word, not to be anxious about anything, but to bring all things to You in prayer and to trust You. When we do this, You promise us Your Peace – a peace of heart that steadies us and helps us move forward.

Thank you that whatever comes, we are secure in You, when we put our trust in Jesus.

In His name, we pray.

Amen.
